NOTICE OF REVISION

Arizona Public Service Company ("APS" or "Company") filed its application to authorize the Company to apply the Net Gains on Utility Property account balance as of December 31, 2011 as a credit to the Demand Side Management ("DSM") Adjustor balance with the Arizona Corporation Commission ("ACC" or "Commission") on April 6, 2012. This Application was made in accordance with Commission Decision Nos. 71716 and 69670, which required that on April 30 of even numbered years, the entire amount in the account, if \$100,000 or greater, either be refunded to customers or used by APS to fund programs that will directly benefit customers as directed and approved by the Commission. APS is providing an update to the account which reduces the transfer amount to \$262,519.
